"Bite Me" 26' Twin Gasoline

"Bite Me" 26' propulsion package combines Indmar's Ford Raptor 440 motors to Hamilton's 212 water jet. Lots of customization including 3 overhead gullwing windows, open top trays with mesh fronts so you can see what's in your top trays while still keeping those items where they belong, multiple grab handles throughout, storage extension boxes from bench seats to fuel cell step, stereo system, 3rd battery system for downriggers and electronics, bow anchor locker with washdown and bow ladder foot wash, CB radio, ski pole and receiver in gunnel top at transom and dual Garmin screens in dash and back of top tray to name a few. Custom paint, side wrap and top striping, premium upholstery and Aquaweave flooring and flooring for the bow, dash top, roof top and swim deck gives "Bite Me" it's sharp look.

Bentz Boats has set the standard for quality and innovation for over 50 years. Since our 1st aluminum jetboat boat built in 1970 we have developed superior quality, efficient and agile handling boats. Through years of personal and commercial use, customer feedback and innovative designs, Bentz Boats has acquired a domestic and international clientele not only for our superior boat design but also our commitment to quality. Attention to detail and a high quality build standard makes Bentz Boats extremely tough with a high degree of impact resistance and helps ensure that each boat operates with a minimum of maintenance.

Bentz pioneered features include the sled shaped bow, forward and center pilot station, short stroke mechanical stick steering and delta pad bottom. These features contribute to our boats' superior handling, quick planing and shallow running capabilities.
